The TumbleBook Library is a fun and interactive library of animated, talking story books for preschoolers, beginner readers and older independent readers. Read along and listen, or read on your own. TumbleBooks are created by taking existing story books, adding animation, sound, music and narration to produce an electronic (e-book) story book. TumbleBooks will help teach kids the joy of reading in a format they'll love! To access Tumblebooks, go to our

website at www.quarryvillelibrary.org, click on Youth Services and then Resources for Kids.
