Take your best shot! The Library's Art Committee will be hosting their January **open art show** which will be a photography show this year. All photographers 16 years of age and older are invited to enter. The exhibit dates are January 4th—February 8th, with a reception and awards on Saturday, January 7th, 2017 from 1:00 to 3:00 p.m.

Entries will be received on **Wednesday, January 4th from 4:00 to 7:00 p.m. in the Carlson Room**. The entry fee is \$10.00 donation per entry. There is a size limit of 36 x 36. Each photographer may enter up to two photos—photos must be framed and ready to hang. Photos may be made available for sale with no commission charged.

Thanks to our Friends of the Library book sorters who are filling our new bookshelves with all types of goodies. All our children's titles and select adult books are now available whenever the library is open.

Strategic Plan Update

The Library's 2017 -2019 Strategic Plan is available for review on our website. The plan is located under the **About** tab on the library's webpage. Please send any comments regarding the plan to: qvlpresident@quarryvillelibrary.org.

Now our littlest ones can enjoy a story and learn relaxation tips at the same time. Our first Yoga Storytime will be held Friday, January 20th at 10:30 a.m. Bring a towel or mat. Best for children 4 to 8 with a caregiver.

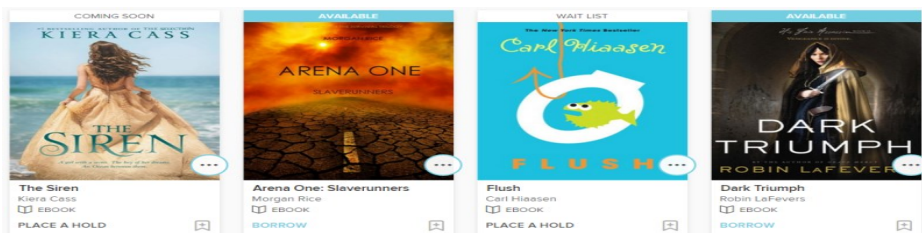

Library Closure

The library will be closed on January 18th as we upgrade our new circulation system. In order to make the transition smoother, we will be extending the due date to three weeks for all books checked out the week of January 2nd.

Please be patient with us for the next few weeks as we work to learn our new system.

What's the new OverDrive?

The new OverDrive is a completely refreshed website and app experience that makes your digital library faster and easier to use than ever before. You'll know that you're using the new OverDrive if titles in your library's digital collection look like this:

Once you've downloaded your free OverDrive app, you'll need your library card number to create an account. To get more information, call the library or use the Resources tab on our website and choose audio-books or ebooks. The Library System of Lancaster County is adding additional titles for you in 2017!

Legopalooza

The Library is partnering with Wrightsdale Baptist Church, Solid Rock, Elizabethtown Public Library and the Oxford Public Library to present Legopalooza!

It's a celebration of creativity, imagination, and, of course, Legos!

Visit our Lego stations, each organized by a different local organization. Complete a challenge at each station and enter to win a prize!
