Summer Reading begins June 3rd

READ,WIN,RELAX—REPEAT! Come be part of our summer reading challenge for all ages. Adult summer reading prizes include advanced readers' copies, free DVD rentals, the chance to be the first to read our fall bestsellers and a Kindle Fire for one lucky reader! The children's prizes are too numerous to count, but include free admission to Dutch Wonderland and tickets to the Lancaster Barnstormers. Head to the library on June 3rd to find out all the other great programs and prizes we'll be offering.

PA CareerLink will have a representative here at least once a month to talk with patrons about finding jobs, career changes and education. Stop by and meet Tammy on June 22nd from 10-12 and see how she can help you advance your career.

Adult Movie Matinee

June 2nd at 1:00

Bring some snacks and a drink.

We'll provide the popcorn.

Come see the movie based on William P. Young's best-selling book!

Kudos!

Our library's Artist Trading Card Project was awarded an honorable mention for family programming by the Pennsylvania Library Association's Best Practices Committee. The program encourages everyone to create art to share with others. The small trading card size makes it simple to participate while at the library or even from home. Trading card supplies will be available all summer long. Feel free to post your creations to our Facebook or Instagram.

Come help us plan and plant our Fairy Garden. We're looking for children ages 6-10 to help create our garden on June 17th at 10:30. We're limiting this project to 10 children, so call the Library to sign up as soon as possible.

DOLLAR GENERAL

The Library received a Dollar General Summer Reading Grant in the amount of \$2,212.00. The grant will enable the library to purchase 50 copies of four different STEM early readers to be used as the basis for a summer STEM book club. After reading the books and participating in related activities, the children will be able to keep the books to share with friends and family. The book clubs will be happening at the library and also at SECA's Summer Camp. The theme's include: Sea Life/Oceans, Time, Space and Food and Nutrition. The grant also allowed the library to purchase 75 titles from the National Geographic Super Readers series for the permanent collection. Call the library to sign up for the program. Thanks again, DG.

Bill Lauris of Off the Beaten Path Nursery will be on hand to talk about fig varieties from all over the world. He will share ideas for earlier harvests, winter protection, and selecting an area for in ground growing. He will bring along some of his favorite, dependable varieties for sale for fellow fig lovers and interested garden enthusiasts. This program will be held
June 28th at 6:00 p.m.
