

# YOUTH SERVICES NARRATIVE

FEBRUARY 2019

## General Updates

The 10<sup>th</sup> Annual Go-Fore Golf Miniature Golf Fundraiser came and went this month. Our attendance was slightly down, but the addition of some new whole-hole sponsors—thanks, Tanglewood Manor Golf Club, Emory’s at Tanglewood, and A&A Auto!—we had some GREAT new course decorations! And the Balunguy and face painter were as awesome as always. Overall it was a great day for the library and the community.

Our second STEM Saturday was another great success, with the kids making models of the earth to learn about night and day and the rotation of the earth and moon.

Finally, February brought news that I am leaving Quarryville, to move out to the Norristown area with my partner; he has gotten a new job in his field and is quite exciting. I’m working with the director and staff to make sure all ongoing programs are assigned to someone to oversee, although some things are being canceled or put on hold pending the filling of my position.

## Collection

Evaluation of the children’s nonfiction has been completed! Maribeth has a list of some topics we need to get some updated information on, and old and outdated materials have left the building.

## Outreach – Visits & Tours

February also saw our third annual Legopalooza at Wrightsdale Baptist, with almost 200 kiddos coming out on February 9<sup>th</sup> to play with all things Lego. The kids really enjoyed the I Spy clues and searching for specific items. Partners include Wrightsdale Baptist (where the event is located), Solid Rock Youth Ministries, Oxford Public Library, and Elizabethtown Public Library.

Future outreach has been suspended pending a new youth services person coming in.

## Outreach – Classroom Kits and Book Bins

Willow Street Preschool has its seventh bin, and Qville Head Start has its third.

Linville Hill picked up their fifth bin of the year.
